of Industry's jurisdiction which are making continuous losses and are likely to be closed down with huge and high values of immovable and movable properties;

(d) whether cash resources have not been generated as a last resort to safeguard these Public Sector Undertakings; and

(e) if so, the facts and reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) Yes, Sir. Government continuously monitor the performance of Central Public Sector Enterprises and identify the causes of sickness.

(b) to (e) No, Sir. The proposal to technology upgradation of PSUs are considered on merit. Government have been providing budgetary support to Central PSUs including sick enterprises. BIFR have recommended to concerned High Courts for winding up of National Bicycle Corpn. Ltd. and Tannery & Footwear Corpn. Ltd. High Courts' decision are still awaited.

Supply of shoes and boots by TAFCO

6461. SHRI GHUFRAN AZAM: Will the PRIME MINISTER be pleased to state:

(a) the details of shoes/boots manufactured and supplied by Tannery and Footwear Corporation of India Limited to various defence forces during the last three years and the total cost received by the Company against each such supply;

(b) the details of expenditure incurred by the company for updating its Tannery and Footwear divisions since the date of take-over by Central Government;

(c) the details of installed capacity for exclusive production of armed forces boots/shoes available with the company and percentage of utilisation achieved during the above period;

(d) whether it is a fact that the decision of the Central Government at the time of taking over the company has never been implemented in letter and spirit and as a result of which the company could not come out of the red;

(e) whether any further step is being contemplated to offer employment to existing minority and other communities people as a course of alternative in the event the company is closed; and

(f) if so, the facts and details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) The details of shoes/boots manufactured and supplied to Ministry of Defence along with the amount received by the company against these supplies are given below:

Year	Production for Defence (in lakh pairs)	Amount received from Defence (Rs. lakhs)
1992-93	1.10	245.60
1993-94	0.02	8.12
1994-95	Nil	Nil

(b) Since TAFCO's incorporation in 1969, Government had released around Rs. 825.50 lakhs for various modernisation schemes of the Company.

(c) The installed capacity of TAFCO is 9.21 lakh pairs per annum and 65% of the capacity is oriented to Defence production. The percentage of capacity utilisation of Defence production during 1992-93, 1993-94 and 1994-95 has been 18%, 0.3% and Nil respectively.

(d) No, Sir.

(e) and (f) TAFCO was referred to BIFR under the Provisions of Sick Industrial Companies (Special Provisions) Act (SICA) during 1992 and the BIFR has given its recommendations during February 1995, for winding up of the Company. The recommendations have been forwarded to the Allahabad High

Court and further action in the matter will depend on the orders of the Hon'ble High Court.

PSUs in Rajasthan

6462. SHRI RAMDAS AGARWAL: Will the PRIME MINISTER be pleased to state:

(a) what was the total investment made in each of the Public Sector Undertakings in Rajasthan till 31st March, 1994 and likely provision during the current year;

(b) whether Government of India have received during 1993-94 and 1994-95 any proposals from State Government of Rajasthan for setting up some more PSUs in the State; and

(c) if so, what are the details of annual production, profit/loss of each Undertaking during 1994-95 as compared to 1993-94 togetherwith the details of employees working therein including those who sought voluntary retirement?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) As on 31.3.1994, there were six Central PSEs having their registered Office in the State of Rajasthan. Enterprise-wise detail of investment as on 31.3.94, for which period only the information is available, is given in Statement No. 16 of Volume-I of P.E. Survey 1993-94 laid in the Parliament on 22.3.1995.

(b) There is no such proposal in Industry & Minerals Sectors received from the State Govt. of Rajasthan during 1993-94 and 1994-95, for setting up new P.S.E.

(c) Details of annual production during last three years, profit/loss during last five years and details of employees as on 31.3.1994 are given in Statement No. 23, 7A/7B and 28 respectively in Volume-I of P.E. Survey 1993-94.

Scheme for Revival of Sick PSUs

6463. SHRI RAMDAS AGARWAL: Will the PRIME MINISTER be pleased to state:

(a) whether Government of India have formulated any concrete schemes for revival of increasing number of sick/loss making PSUs in the country indicating total number thereof till date;

(b) in how many cases revival packages were offered by the official agencies after being referred to BIFR/RBI till 30th April, 1995 indicating location-wise and industry-wise details;

(c) whether any Committee was appointed by Government to allow workers participation in the management of PSUs, if so, the number of PSUs in which implementation of Committee's recommendations have taken place; if not, what is the present stage of progress in this regard and the reasons for delay; and

(d) whether Government have so far handed over to private sector any PSU which they found unmanageable and difficult to revive and if so, the details thereof 1994-95 to date?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) and (b) As on April 1995, 53 Central Industrial Public Sector Undertakings have been registered with Board for Industrial and Financial Reconstruction (BIFR) and BIFR have appointed Operating Agency in each case. Based on the Operating Agency's viability report BIFR circulate the same for the comments of all parties including the Govt. The Govt. in turn communicate their stand based on the merit of the individual case. So far revival scheme has been approved in respect of 2 PSUs and in respect of 13 other PSUs, revival schemes are at finalisation stage. The names of 15
